Albrecht, Brand, of Dorfman, Germany, (with his wife and six children) is Governor of Rotary District 150, Germany. He attended the Rotary International Conference at Lake Placid, New York recently and there came to know Fred DeHon of West Palm Beach, Fla., who is District Governor of his Rotary District in Southeast Florida.

During World War II, it was discovered during the friendly meeting at the Rotary conference, Albrecht was a U-Boat Commander. Fred DeHon was a fighter pilot aboard the USS Roosevelt, a carrier of war. No close contact was disclosed during the "tale swapping" of these two former enemies in war.

The more intimate meeting and discussions were brought about by the fact that Albrecht's District is Florida 699's "Match" district.

It is a practice to assign Rotary Club and Rotary District "match" organizations from other nationalities to stimulate friendship and to further Rotary's Aim of International Understanding throughout the world.

Hayden Burns, Democratic Nominee for Governor, will arrive at Pahokee airport Thursday, Sept. 10th, at 10:00 A. M. for a visit to the Glades, with itineraries to be announced later.

## Hurricane Cleo Very Expensive For Belle Glade

Hurricane Cleo hit the taxpayers right in the pocketbook last week, with damage to public buildings, as well as making a mess of trees and shrubbery around town.

Roof damage at the Gulf Club building, and the building at Raw Water Intake, was reported, and also the roof to the Social Security Building was ripped open.

These, along with cost of cleaning city streets, hauling away trees and shrubs torn up by Cleo, ran the cost up to near \$20,000.

Private property damage around the City was not too expensive, and all in all, Belle Glade came through the storm in good condition.

Theoretical and idealistic community planning will benefit the Belle Glade Area, and there are many useful statistical facts compiled for study. We are offering in THE HERALD many of these, with the idea that local citizens will "scratch where it itches" and get the "think-box" working.

FEDERAL AID may be an agency for lowering moral in both schools are cordially invited to attend and meet the teachers.

The "experts" readily agree that Belle Glade is "located in the heart of rich agricultural lands — able to produce two

### Water And Sewerage Contracts Awarded To Ft. Lauderdale Co.

The Inter-County Construction Company, of Fort Lauderdale, and Hyattsville, Maryland, was awarded tentative contracts in four water and sewerage projects, covering Sections 1-2, 1-3, 4 and Whitmore Mock, Inc. of Lake Wales was awarded the contract for District 5, at a special meeting of the Belle Glade City Commission, Tuesday afternoon.

The five projects will cost \$1,389,764.96. Cost by districts are as follows: District 1, \$273,644.18; District 2, \$414,558.22; District 3, \$333,019.80; District 4, \$124,542.74. The Inter-County Construction Co. The cost of Dist. 5 is \$238,000 and was awarded to the Whitmore Mock, Inc. Each of the projects is to be completed in 270 calendar days.

Nine construction companies bid on these projects, and these bids were opened August 11th, but official action was withheld pending a study by the consulting engineers, Russell and Axon, from Daytona Beach and Lake Worth.

The City Manager, Tevis Huck, met with State and Federal officials last week in Jacksonville, to discuss the bids and proposed city improvement.

It was learned that the City may receive up to \$110,000 in Federal Aid on these projects. Final acceptance of the bids will be made pending approval by the State Board of Health and the United States Public Health Service. However, City Officials will give full information on these bids to these agencies, in order that formal acceptance can be made immediately.

Hugely said "it is hoped that the projects may be underway in the very near future."

Following organization, the Committee will make recommendation to the Commissioner of Agriculture for initial regulations which will be in effect during the 1964-65 sweet corn marketing season, along with such other business as well properly come before it.

### Safety Campaign Now A Community Project Of C & C

The Safety Campaign, the "Canal Hazard Elimination," program, started three weeks ago by the Belle Glade Lions Club, has now become a community project, with the Chamber of Commerce as coordinator.

Members of the Lions Club hopes that other City Clubs and organizations will join in this effort and that interest in this safety campaign, will spill over into other communities in the Glades area.

"Canal Hazard Elimination is something that everyone should be interested in," said Henry Earwood, Chairman of the Lions Committee on Safety, "and we invite all to take part in this program."

Dr. John L. Grady, President of the Chamber of Commerce has stated that letters have already gone out from the Chamber to Civic Organizations and others concerned with highway safety, requesting that each organization appoint one of its members to serve on this community safety committee.

Mr. Earwood, past president of the Chamber of Commerce has consented to serve as chairman of this committee.

A meeting of this group will be called in near future.

Other Commission action: they appointed Bernstine Nelson as temporary School Zone Officer for Rosenwald School, and instructed Chief of Police, Ralph Ward, to have officers on duty at the school crossings on State Road 80 and U.S. No. 27.

Polling places are: Area No. 1, City Hall; Area No. 2, Ed Williams' Laundromat, on West Palm Beach Road and 10th Avenue. Hours are from 7:00 A. M. to 7:00 P. M.

Anticipating a deluge from Cleo, the District began pumping before she hit, and moved more than 10 billion gallons of water from the main canals into three conservation districts and Lake Okeechobee.

These three man-made reservoirs were approximately at regulation stages, and could accept three times the water that was pumped — and the pumps could have delivered it.

Governor Bryant designated the PB County Civil Defense Headquarters, the Red Cross Committee had designated shelters ready for occupancy.

Damage to some celery seed beds is reported, and wind-whipped young planted celery suffered some damage.

A majority of the fall sweet corn that had any size to it was blown to shreds and blown down. Even some that had been above ground only a few days was spat damaged so that it was advisable to replant.

Civilians to Sell Weight in Cake

At its regular business luncheon Tuesday, Belle Glade Civilians met to discuss "weight-in" at which time members pledged to sell more than their weight in fruit cake. The Christmas season of fruitcake selling is the sole project of

Civilians for fund-raising for the purpose of contributing to the needy community causes.

Pictured above left to right, is Bill Arnold, Fort Pierce, Deputy Civilian Governor of Area 3, on the scale is Dick Murray and Fruitcake Chairman, Jerry Fussell.

Registration Slow  
States City Clerk

Voter registration for the City Election, coming up September 12th, is proceeding "just fair," according to Vera C. Jones, city clerk of Belle Glade.

While interest in the City election was increased considerably this week, with five citizens registering two seats on the City Commission, it is expected that no new voter registration record will be established.

Monday noon, 204 new voters and it was expected this number would be increased by not more than 75 or 100 before the books are closed Friday, September 4th.

Total voter registration for the City Election last year, was 2,208 and with an addition of about 300, this number should reach 2500 by Friday.

Fickle in course, not as wet as expected, but with its western perimeter flicking at the Glades with wandering gusts above 50 miles per hour, Cleo left her mark in the Glades. They are not as deep nor as damaging as a closer path might have left.

Trees and shrubbery were blown over, broken, and had limbs scattered generally throughout the area. A few signs not securely fastened were blown down.

Falling trees and limbs and a few displaced poles caused Florida Power and Light considerable trouble, but service was generally restored throughout the area by Friday morning.

Forty to fifty mile winds, first from hither (east) then hither (west), with pelting rains, did damage to crops of the Glades in varying and as yet undetermined degrees.

Sugarcane apparently suffered damage from loosened roots, frayed tops and leaves, and from lodging — twisting and wrapping, as well as from being blown down.

The fields to the east of Lake Okeechobee apparently suffered more than did that along the southern shores of the Lake, with the Clewiston area less than either.

Rainfall reported along the east side of the Lake accumulated from three to four inches, graduating downward to approximately one inch near Clewiston. Spotted rainfall has accounted for as much as 3 to 4 inches near the eastern border of the Agricultural area since Cleo went her way.

Opinions from Agricultural Directors of more than 75,000 acres are that "we will definitely need more water to harvest the DOWN cane."

With the sun out following the wet days of Cleo, there is a most noticeable straightening up of cane stalks. However, as is usual with these storms, a week or more is necessary before near accurate estimates are practical as to the damage.

The C & SF Flood Control District was host to more than 90% of Cleo's visit to Florida, and reportedly came through without taxing the FLOOD CONTROL capabilities of the 18 county district.

Anticipating a deluge from Cleo, the District began pumping before she hit, and moved more than 10 billion gallons of water from the main canals into three conservation districts and Lake Okeechobee.

## Belle Of The Glades—Belle Glade Inspected, Studied & Compared

Belle Glade has been measured, inspected, dissected, studied, probed and compared — compared with the ideal. American Community of its size and general characteristics.

Under the guidance of Florida's Development Commission, the Federal government in Washington footed half of a bill for \$10,000 to give Belle Glade a "comprehensive development plan," with suggestions as to how remedies may be had.

"Federal aid programs" are commended, of course most of these plans provided for overall direction by bureaucrats from Washington and Atlanta.

Theoretical and idealistic community planning will benefit the Belle Glade Area, and there are many useful statistical facts compiled for study. We are offering in THE HERALD many of these, with the idea that local citizens will "scratch where it itches" and get the "think-box" working.

## Belle Of The Glade

(Continued From Page 1)  
Our population is male, that the average household size is 2.85, with that of the whites being 3.31 and non-whites 2.65.  
The reports say "the negro district is heavily overpopulated—the present population could only be acceptably housed by uniform coverage of three-story apartment buildings on all residential lots — have caused unacceptable housing densities."

"One-third of the population occupies three fourths of the present residential land." "Any increase in population (negro) will have to reside outside the city limits, or the limits will have to be extended."

In arriving at the PROBABLE POPULATION for '80, three or four routes were used, and then combined:  
(1) Annual rate of growth for the past three decades — indicated figure being 20 x 4.8%, added to present population;  
(2) Natural increase — the difference between births and deaths, the added population by '80 is 4,600;  
(3) Adding 173 people per year by in-migration, 3,460 would be added by '80;  
(4) Taking all these figures and adding increase of further use of agricultural lands, the figure of 26,000 comes up.

"In Belle Glade, agriculture employs three times as many persons 2,987 (62.5%), as does wholesale and retail trades (993 17.4%), and probably a good deal of this is in either products for the farm or produce from the farm."

While Belle Glade's per capita income is estimated at \$1,650; it is reported that Belle Glade is the largest shopping center in the Glades; it produced an effective buying income of \$17,194,000. However, retail sales were only 70.1% of its buying income, while Bartow folks spent 87% in retail sales. DeLand 96 % and Palatka 161%.

"Belle Glade is not functioning well as a retail trade center. It will have to provide a more attractive and convenient shopping center and a greater variety of goods to successfully compete with larger trading centers."

It is pointed out that the total retail sales of \$11,638,000, food took \$3,334,000, autos \$2,712,000, lumber, bldg. and hardware got \$1,145,000.

The gas stations got \$549,000 while wearing apparel got \$853,000. Eat and drink gets credit for \$785,000.

While Belle Glade's area now consists of 1,280 acres, the Greater Belle Glade Area takes in 16.8 square miles or 10,728 acres. The Greater Belle Glade Area spreads out in all directions, with sections 19, 20, 24, 25, 26, 29, 30 and 32 being wholly included to the north and east.

The report shows 28.3% of the area vacant, 7.5% agricultural, railroads account for 30.85 acres, while canals use 17.21 acres. We drive on 255.91 acres of streets; public buildings use 19.56 acres while there are 83.05 acres in parks.

## Welty-Suttle Troth Announced

JANICE A. WELTY

The engagement of Miss Janice A. Welty to George M. Suttle is announced today by her parents, Mr. and Mrs. Earl Welty, Belle Glade.

Miss Welty graduated from Belle Glade High School in June and is currently employed by Southern Bell Telephone Co.

The couple plan an October 1 wedding.

## Glades Radio Club On Alert

We can truthfully say that we in the Glades Area have a very strong disaster setup, as proven by the "Glades Five Watters," a radio club of civic minded persons in this area.

The "Glades Five Watters" are all Citizens Band Radio operators who have base stations in their homes as well as radio mobile units with radios in their cars. They also have radio contact with the Civil Defense Headquarters in West Palm Beach and, if the occasion should arise (which we hope it never will), the Civil Defense Unit at Washington, D. C. can be alerted in about five minutes, putting the entire nation on the alert. They are also in contact with the highway patrol and the sheriff's office, of which several are also members.

During Cleo's visit these members proved their worth by giving and relaying information via radio for twenty-four hours. They worked together with the police and civil defense units as one big unit. Their cars were available for transportation for those who had to get to a shelter. During the course of an ordinary day when they are not

Dr. Harry Philpott, vice-president of the University of Florida, told the honey producers that there is no reason for people engaged in agriculture to fear a reappointment of the legislature, since agriculture is so much a part of the state's economy.

The latest developments in the study of Nosema, a disease of adult bees, were discussed by Dr. Everett Ortell, agriculturalist at Louisiana State University, Baton Rouge.

T. C. Skinner, agricultural engineer with the Florida Agricultural Extension Service, described new colony loading and handling equipment. E. F. Scarborough, marketing specialist of Jacksonville, presented a study of honey marketing.

## 50th Anniversary Observed

MR. AND MRS. F. E. HOLLINGSWORTH

A reception honoring Mr. and Mrs. F. E. Hollingsworth on their golden wedding anniversary was given Sunday afternoon from 3 to 5 p. m. in their lovely and spacious new home 200 S. W. Ave. D. by Dr. and Mrs. Fred E. Henry and Mr. and Mrs. F. E. Jack Hollingsworth, Jr. The tea table beautifully appointed, under a crystal chandelier was laid with an elegant gold damask scroll design cloth imported from France, an anniversary gift. Gold tapers in polished brass candelabras flanked the centerpiece arrangement of yellow roses with gold leaves in a low container. The tiered wedding cake, white with yellow roses and gold leaves was topped with an ornamental gold horse shoe and roses, with a gold '50' inside. The yellow punch topped with mint, was served from a crystal punch bowl. Decorative mints, wedding 'cookies', petit' fours, and nuts were also served.

For the occasion Mrs. Hollingsworth wore a dress of radiance blue chiffon over lace with matching shoes and a gold cut-leya orchid with gold leaves. Her daughter, Mrs. Fred Henry wore pink chiffon. Mrs. F. E. Hollingsworth, Jr., wore an ice blue silk crepe dress Miss Vicki Hollingsworth, a turquoise silk crepe sheath, and Miss Paula Henry, an apricot silk organza. Their corsages were gold carnations with gold leaves and ribbons. Mrs. Henry cut the cake, Mrs. F. E. Hollingsworth, Jr., and Vickie presided at the punch bowl and Miss Paula Henry

Gladys Josephine Davis and Fenton Eugene Hollingsworth were married August 27, 1914 at the Mulberry Methodist Church, Macon, Ga. Dr. W. N. Ainsworth, who later became Bishop in the Methodist Conference performed the ceremony. After a wedding trip to St. Petersburg, Fla., they made their

## The Gift Of Life

Some people seem glad that they are alive while others seem to be sorry that they were born. Our attitude toward having been given the opportunity to live makes a great difference in the way we use our lives.

If we are happy to be alive, realizing that life is a gift from God, and filled with a zest for using well the life we have been given, we will be rewarded with a fullness of life and a sense of well-being beyond our fondest expectations. This will mean that we are living in a manner that brings glory to God.

Do you have the Christian viewpoint of life? Are you thankful for the gift of life and keeping his commandments?

You are invited to attend an investigation of the activities of the Church of Christ which meet at 125 N. W. Avenue D in Belle Glade, Florida.

Remember - Gospel Meeting October 4-11.

## Sermon Topics

The sermon topic for St. Peter's Lutheran Church, Belle Glade, for Sunday morning September 6th, is "The Planting Season," taken from Galatians 6:7-10. The service: Sunday School and Bible Class 9:30 a. m.; worship service, 10:30 a. m. Rev. Richard Y. Roseman is pastor.

## Methodist Church Youth Activities

A busy week of youth activities has just been completed at Community Methodist Church. Vacation Church School was in session each morning for children from kindergarten through 5th grades and Youth Week activities were conducted each evening for young people in grades 6 through 12. The theme of the Vacation Church School was "The Life and Teachings of Jesus," which was carried out in stories, activities, songs and worship.

The theme for Youth Week was "Thy Purpose For Thy World We Share." The station program each evening with a cup prepared by various groups in the church, and continued with recreation and study classes. The highlight of each evening was the closing Vespe: service conducted by Rev. Robert Brittain, pastor of Trinity Methodist in Palm Beach Gardens. Sunday was Promotion Day in the Church School. At the morning Worship Service the Pastor, Rev. W. R. Boland, presented a Bible to each of 28 children who are entering the third and fourth grades in Sunday School.

home in Macon until 1925, when they decided to move their family to Lake Worth, Fla. In about 1939 they became interested in the Glades area and came first to Clewiston, where they lived for a year, then came to Belle Glade. Having decided they liked Belle Glade well enough to make it their home, they have remained here for 25 years. Mr. Hollingsworth was employed with the Jellio Grocery Co., in West Palm Beach and after coming to Belle Glade was connected with Royal's Store.

**BPWC Plans Civic Program**  
"Partnership With Youth" is the theme of the Belle Glade Business and Professional Women's Club this year. In carrying out this theme the Club will present an important informative Civic participation program Thursday, Sept. 17, at 8 p. m. at the Civic Center.

There will be a panel of speakers for this highly interesting program which will include Miss Kathleen Rogers, president, as moderator; Mrs. Rosa Nash, District Director, will present the BPW history, its aims and objectives. Other speakers on the panel will represent the Home, Church, School, City, Police Dept., Juvenile Dept. and Student Council from Belle Glade High School.

Following the program of speakers there will be a panel discussion on ways that we can reach and help our youth to become better citizens of tomorrow. Invitations are being mailed out to Clubs and individuals. All citizens of Belle Glade are urged to attend this meeting and help our youth.

## First Baptist Holds Retreat

The First Baptist Church, under the direction of Jack Ponce, Associate Pastor, held a Back-to-School Retreat last Friday and Saturday. The retreat was held at the OceanSide Motel on the beautiful Lantana ocean side. About 25 were in attendance and all participated in the fun, fellowship, and most important, the spiritual emphasis.

Mr. and Mrs. Ronald Jones were two of the speakers who were in a discussion of the retreat's theme, "Looking Unto Jesus in All of Life." The retreat closed Saturday night at 1:00 with the Rev. Ray Crawford, pastor of the West Side Baptist Church, in Hollywood, Florida, bringing a challenging message to the young people.

## Nazarenes Gaining Into Two States

Ohio and California are running neck and neck for the title of having the most Nazarenes, according to the information service of the Church of the Nazarene.

Ohio now has 317 Nazarene Churches with 34,632 members while California has 322 churches with 43,054 members. Since 1842, the population in California has gained at the rate of 118 per cent, while Nazarene membership there has increased 158 percent.

## Wed In Double Ring Ceremony Friday

MRS. WILLIAM R. CLINARD

In a double ring ceremony Friday at the Assembly of God Church, Clewiston, Miss Anna Beth Postell became the bride of William Ray Clinard of Clewiston. Mr. and Mrs. F. M. Postell, Clewiston are the bride's parents. The bride groom is the son of Mr. and Mrs. W. E. Clinard, Clewiston.

The Reverend James F. Kimbrell performed the 8 p. m. ceremony in a bridal arch decorated with greenery and floral arrangements, flanked by palms and candelabras with floral arrangements.

Mrs. James F. Kimbrell was organist and Mrs. James Manning, pianist. Mrs. Earl Davis, aunt of the bride, sang "O Perfect Day" before the ceremony and "The Wedding Prayer" while the couple knelt at the altar. Mrs. Gene Anderson, cousin of the bride also sang "Whether Thou Goest" before the ceremony.

Given in marriage by her father, the bride wore a floor length gown of Chantilly lace over taffeta. The fitted bodice featured a Sabrina neckline and wrist point sleeves. The skirt designed in tiers ended in a chapel train. A crown of lace and crystals secured her veil of illusion. She carried a bouquet of feathered carnations and stephanotis, centered with a white orchid.

Mrs. Jimmie McDuffie was matron of honor in a street length gown of champagne brocade fashioned with a scalloped neckline and sleeves, with a V-waist line. She wore a hat with veil and matching accessories and carried a bouquet of apricot carnations.

Also attending the bride were bridesmaids Miss Evelyn Sharpe, Columbia, S. C., Miss Sandra Gann and Miss Sheila Campbell both of Clewiston. Their gowns were the same as the honor attendant except in apricot color, with matching hats, veils and accessories. They

carried cascade bouquets of apricot carnations. Mindy Hingston, flower girl, wore a white organza dress with short puff sleeves and organza sash. Her veil, gloves and accessories were white and she carried a basket of rose petals.

Ringbearer was Warren McKinley of South Bay.

Bill Bowen, South Bay served as best man. Ushers were Dannie Postell, brother of the bride, Jimmie McDuffie and Larry Williams.

Assisting at a reception in the Clewiston Inn were Mrs. Gale Clark, Miss Helen Sloan, South Bay, Mrs. Linda Cotton, Miss Margaret Ann Waters and Karen Adams.

Following a wedding trip through the Smoky Mountains in Tennessee the couple will be residing at 440 E. Pasadena Ave., Clewiston.

## Carlotta Holton Names Attendants

Miss Carlotta Holton and Pat O'Brian have announced plans for their wedding. The marriage will take place at the First Baptist Church Friday, Sept. 11 at 8 p. m. with the Rev. Luther A. Key officiating.

Miss Francine Holton will be her sister's maid of honor. Bridesmaids will be Sandra O'Brian, sister of the bride groom and Catherine Holton, sister of the bride. Cinda Pate will be flower girl.

Dan O'Brian will serve his brother as best man. Ushers will be Chas. Royal and D. E. Wallis.

No invitations are being sent, but all friends of the couple are invited to the wedding and the reception following at the Civic Center.

## Engagement Told

JULIE ANN KINARD  
Rev. and Mrs. John H. Kinard of 2500 East Main St., Pahokee, announce the engagement of their daughter, Julie Ann to Buck Cobb, son of Mr. and Mrs. Walter M. Cobb, Sr., South Bay. The bride-elect is a graduate of Pahokee High School and is now employed in the office of the Pahokee Housing Authority, Inc.

The prospective bridegroom is presently employed as manager of the Belle Glade Rock Co.

The couple plan an October wedding.

## Trio Entertains For Bridesmaids

Mrs. Milton Carpenter, Mrs. Vance Denton and Mrs. Sydney K. Smith, Jr. were hostesses at a luncheon Saturday at the home of Mrs. Smith, honoring the bridesmaids of their cousin, Miss Rebecca Ruth Grimes of Pahokee, whose marriage to George Lawson of St. Petersburg will take place Sunday, Sept. 6 at First Baptist Church, Pahokee.

The table overlaid with a white hand crocheted cloth over pink was centered with a bride on a revolving music box that played the traditional wedding march. Tall white tapers in silver holders completed the table decorations.

Places were set for 12 which included the bride, Miss Grimes, Dianne Lawson, maid of honor, Dorothy Batchelor, Gloria Mariani Smith and Ellen Jo Denton, bridesmaids, Peggy Carpenter, flower girl, the bride's mother Mrs. Ralph Grimes, aunts of the bride, Mrs. Duncan Padgett and Mrs. Dan Carpenter.

Following the luncheon Miss Grimes presented each of her attendants with a lovely evening bag.

Becky Smith, daughter of Mr. and Mrs. Barnes Smith has returned from Chicago, Ill., where she accompanied her grandmother, Mrs. H. C. Dulany of Pompano Beach for a visit with relatives.

Mr. and Mrs. Thomas Thompson arrived in Belle Glade August 21 from Tubingen, Germany to visit Mrs. Thompson's parents, Mr. and Mrs. Ted Irvin, 301 N. W. Ave. F. The Thompsons have been acquiring their doctorate at the University of Tubingen. They have gone on to Dayton, Ohio where they will teach at the University of Dayton for the school year. Miss Margaret Irwin is now visiting her parents and will leave Sept. 10 to return to Duquesne University, Pittsburgh, where she will be a senior.

Judy Green, daughter of Mr. and Mrs. V. E. Green, Jr., Belle Glade and Miss Susan Weaver, daughter of Mr. and Mrs. E. W. Weaver of Lake Harbor are attending Jacksonville Memorial Hospital School of Nursing in Miami. The class graduates in 1967 and is a three year course.

Ricky Prosperi, of Newark, New Jersey, is visiting his aunt, Mrs. J. W. Day and Mr. Day, and cousins, David and Sharon Day.

## Engagement Is Announced

CATHERINE WHITE

Mr. and Mrs. Fred C. White, 117 N. W. Ave. G, Belle Glade, announce the engagement of their daughter, Catherine Lynn White to William Burr.

The future bridegroom is the son of Mr. and Mrs. Robert Spottswood Burr, 731 S. E. Ave. F, Belle Glade.

The young couple will be married in December, 1964 at the Community Methodist Church.

Mr. and Mrs. Lloyd Royer and daughter, Mrs. Ronny Wisel, and children Tony and Debbie arrived with the storm from Hartsville, Ohio, to visit Mrs. Royer's brother-in-law and sister, Mr. and Mrs. W. J. Norris and family. On Friday Mrs. Norris and Billy accompanied them to Ft. Myers Beach, Mr. Norris joined them on the weekend and the Norris family returned home Sunday night. Their guests remained but will be back here this week.

Mrs. Marie Causey, who underwent surgery in July is still unable to return to her work at the Experiment Station. She has to have her neck in a traction part of the time due to a slipped disc.

Mrs. Zelma Betzner accompanied her son, Lou Betzner, back to Miami Sunday where he is attending an electronic school and is employed by Sears.

Mr. and Mrs. Billy Evans and family have returned to their home in Belle Glade, after a month's tour of sixteen western states. They visited Joe Friedman and family, in Tucson, Arizona, and also toured Mexico, Yellowstone National Park and Illinois. On their return home, they visited in Atlanta, Georgia.

Mrs. S. C. Butler has just returned home from Vidalia, Georgia, where she attended the funeral for her grandfather, Mr. Charlie Hutchinson. The funeral was held Saturday, August 29th. Mr. Hutchinson will be remembered here, as he often visited his grandfather, Mrs. Ruthie Belle Matthews, mother of Mrs. Butler, will leave September 12th, for Barbados, West Indies with her son, Rev. Charlie Matthews, Mrs. Matthews, and son, Charles, Jr. She plans to stay and visit them for six months, and will return to Belle Glade and spend some time with her daughter, Mrs. Butler.

## Youngs Enjoy Trip To Nova Scotia

George and Edwina Young returned Tuesday night from a six thousand mile trip which included Southern Canada from Seattle Ste Marie to Nova Scotia. Traveling with them were their children, Jane and Chappie, who stopped off in Gainesville, Florida where they will attend school this year.

Among the pleasures enjoyed on the trip were:

Visiting the 150 year old residence in Nova Scotia where Mrs. Young's Grandmother was born, still a beautiful home; the original pew in the old church building where her mother attended services regularly with her family; driving along the two mile lane along which her mother walked to school with old memories being revived by Uncle and an Aunt who enjoy a wonderful vitality though they have passed their "three score and ten."

## Jaycees Hold Orientation Meet

The Belle Glade Jaycees held their annual Orientation meeting Saturday evening at the Civic Center and along with their wives enjoyed a dinner before the program was under way.

The State President of the Jaycees, Frank Foster of West Palm Beach was on hand and was accompanied by Jack Hart, Jr. of Jupiter, Florida, State Chairman of the Wives Auxiliary. Also present was Stu Hertz, State Spoke winner, from Vero Beach, and Miss Dee Mikovsky, 1964 Harvest Queen from Belle Glade.

Other guests included Tom Martineau and George Rashley from Pahokee.

President Foster was the speaker of the evening and outlined the program and work of the Jaycee organization. He pointed out that this program would be accomplished only by the activity of each local Jaycee Club.

The Belle Glade Jaycees now have a membership of 43 which is a 27% increase over last year. Milton McKay is President, John Milner, Vice-President and Al Maloy is 2nd Vice President. George Riddle is District Vice President.

Mavor LeBron Williams, former President of the local Jaycees, was on hand to welcome out of town guests and praised the local organization for its work in the community.

## Veterans Warned in Selling Homes Having GI Loans

L. V. McClelland local Veterans Service Officer, states that the more fact that a veteran sells his federal G. I. Home does not necessarily relieve him of his liability to the veterans administration.

Too often, Veterans who have sold their G. I. Homes learn later that the buyer has defaulted

on the loan, the mortgage has been foreclosed, a deficiency has resulted and that they are liable to the V. A. for the payment of the claim which the V. A. had to pay to the lender. A veteran may be released from his liability to the V. A. if his loan is current and if the purchaser has obligated himself by

A veteran planning to sell his G. I. home may take either of two steps to avoid future liability. (1) He can arrange for the G. I. Loan to be paid in full. (2) He can allow the purchaser to assume his G. I. Loan and obtain a release of his liability on the loan from the holder of the Mortgage and the Veterans Administration provided, of course, both agree. The veteran may apply to the Veterans Administration for a release from liability by submitting a request in writing to the Loan Guaranty Officer, at the V. A. Regional Office of Jurisdiction, where his G. I. Loan was first approved. The request should include the V. A. Loan Number, if known, which should be shown on the reverse side of the certificate of Eligibility. The address of the proposed purchaser and the name and address of the holder of the Mortgage. Upon receipt of the written request, the V. A. will send to the veteran all the necessary forms to complete in order to effect release of liability on G. I. Loan.

McClelland warned that it is most important that the application for release of liability be made prior to the time the G. I. Home is sold for obvious reasons. Since once the sale is accomplished, and all final papers are signed by both parties, it is no longer of importance to the buyer whether he assists in getting the veteran released from liability. McClelland further pointed out, that the buyer might not prove to be a good credit risk in the opinion of the V. A. or the Mortgage Holder or both.

## Marsh Hen Season 9-5 Until Nov. 13

Marsh hen hunters will open Florida's 1964-65 hunting season at sunrise Saturday, September 5, according to A. D. Aldrich, director, Game and Fresh Water Fish Commission. The day's hunting will end at sunset.

Hunting the migratory rails and gallinules (marsh hens) will be allowed for 69 consecutive days ending November 13. Bag limit for all rails and gallinules is 15 for a day's bag and 30 for total possession.

The chapter rail will be the primary species taken. Other prominent species include the Virginia, king, black and sora rail. Hunters will also take the Florida and purple gallinules.

Although rails and gallinules are found throughout the State, the majority of the hunting is done in tidal marsh areas along the coastlines. Most of the successful marsh hen hunting is done in a tier of six counties along Florida's northeast coast — Nassau, Duval, St. Johns, Flagler, Volusia and Brevard Counties — and two counties along the western Gulf Coast — Gulf and Franklin.

It has been estimated that Florida hunters harvest from 45,000 to 60,000 marsh hens each season.

Under the Migratory Bird Act, marsh hen hunters must have their shotguns plugged to three-shell capacity. Rifles are always prohibited when taking migratory birds. Duck stamp is not required for marsh hens.

### Coast Guard Reserve Taking Ex-Servicemen

Qualified men who have served as enlisted men or officers in any branch of the Armed Forces can join the U. S. Coast Guard Reserve in the pay grade they held at time of discharge.

During the term of enlistment, which may be 3, 4 or 6 years, Coast Guard Reservists attend weekly drill meetings in their home town. Once a year they devote two weeks to training away from home. Since these men receive a full day's pay for each drill period and regular pay for the annual two weeks' training, they find service in the U. S. Coast Guard Reserve can convert spare time into a worthwhile second income. In addition, they can retire with pay at the age of 60 after 20 years of service.

For complete information about opportunities in the U. S. Coast Guard Reserve, interested ex-servicemen are invited to call or visit their local Coast Guard Recruiter.

### IT COULD BE ----

It's funny some times what a fellow won't think about when he comes into a strange town and starts to look around.

We can't help but think back at the time three weeks ago and the mental comparison we made.

In a way the downtown area reminded us of a young gal the town we came from. She had a good figure and a nice face, but for some reason or rather her hair was always a mess. She used no lip stick or rouge. Her dress fit her like a sack and her slip was always showing. If she wore stockings, they always looked wrinkled and had a run or two. Her shoes had that run down at the heel look.

Despite all this she was well liked, but none of the boys ever asked her out or spent a dime showing her a good time.

One day a young fellow moved to town and something happened to that gal. We don't know what it was, but the first time we noticed her hair was done up in the latest style. She had on just the right shade of lip stick and rouge to show off her pretty face. Her new dress fit her to a T and showed off her curves in the right places. She had on new stockings and her new shoes brought out something no body ever noticed before. She had beautiful looking legs.

Brother, what a change. Everybody stopped to look and the boys whistled in surprise. In no time at all there was a mad scramble to see who could date her. The fellows were wild to take her out and spend their hard earned dollars to show her a good time.

The downtown area of Belle Glade is, in a way, like that. Certainly the area has a good future. Over \$100,000,000 in agriculture products produced here every year. That's a good sure no matter how you look at it. Certainly the people here are friendly and you can't help but like the town because of this friendly spirit.

However when you enter town as we did, on highway 441, your first impression was one of a careless town. Old weather beaten buildings in need of paint. Vacant lots that needed cleaning up. Store fronts that needed fixing up and painting in order to give them that fresh welcome "come on in" appearance.

We had to admit that here and there the City's slip was showing and it had, in places, that run down at the heel look.

Now maybe, if local property owners and store keepers, along with help from the city fathers, would take time out to clean up vacant lots, put on a coat of paint where needed and fix up the face of some of the buildings and store fronts, it just might make a change in the down town area that would startle very one. Local residents would be astonished at the change and could really whistle at the new look. Likely as not, they would begin to spend more OF THEIR HARD EARNED DOLLARS at home.

An up to date looking down town area would also draw out town customers for local stores and before you knew it, the word would spread. "Have you seen Belle Glade, Florida. That sure is a nice looking town and its a good place to trade. They've got friendly service and their prices are right. Try it sometime, you'll like it."

### Let's Have A Safe Labor Day

Labor Day is a youthful institution, as national holidays go. But its place in the national life is secure and honored. It provides a formal and well-earned salute to all working people, with and without the unions. And this is a tribute that goes beyond the changing problems and controversies that have to do with labor legislation and labor's rights and privileges.

Too, Labor Day has another special characteristic. It gives most of us a three-day holiday in this age of the five-day work week. And millions of people take advantage of it to journey in search of new sights and scenes, or to go again to favored vacation spots. Labor Day has become a day of fun, relaxation and sports.

Unhappily, however, that bright prospect is not realized for an appalling large number of us. They are the victims of Labor Day's toll of deaths and injuries. The mishandled automobile becomes a killer of almost warlike dimension. The toll of drownings steadily mounts and ignorance or disregard of the rules and precautions that are essential to safe boating are big factors in this.

The tragic part of it all is that the vast majority of these and other accidents are totally unnecessary. They don't just happen -- careless, thoughtless and uninformed human beings make them happen. If all of us this coming Labor Day period would use just rudimentary caution wherever we go and whatever we do, the expected accident toll would be reduced spectacularly. How about it?

### UNCLE DAN from DOOLIE says:

Dear Mister Editor:

The fellows at the country store Saturday night was discussing things pro and con. According to Ed Doolittle, them words stands for Progress and Congress.

They wasn't much time spent on the Progress item on account of we ain't had too much of it lately. But Clem Webster reported we was making a little headway here and there. He said he had saw in the papers where 50 college students had got in one bed and 300. Clem allowed as how this was up about 10 per cent over fugges put out when all them college boys and girls got together last Spring in Florida. Ed allowed as how this was a very fine improvement and it was voted by the fellows to put this item over on the Progress side of the ledger.

And Clem also announced he was reading in the papers where a doctor in Atlanta give his patient a prescription and wrote at the bottom: "If this works, let me know, I'm having the same trouble myself." It was agreed if doctors would consult with their patients more and with each other they wouldn't be so many tombstones in the graveyard. This was put over on the Progress side.

Zeke Grubb reported the U. S. Department of Agriculture has decided to add White and pink dogwood trees to the White House grounds. This was considered a improvement over golf balls and sand traps and the fellows run this in on the Progress side.

The discussion on the Congress lasted till the feller that runs the store had to close up and chase us off. Ed announced he had wrote to his Congressman and advised that the folks back home was hoping the next

time the Congress cut taxes and raised their wages, they would just keep the tax cut fer themselves and give the hike in pay to the taxpayers.

Bug Hookum reported he had saw in the papers where Senator Nelson of Wisconsin had found where one company doing business with them Spice folks had made \$955,000 on a \$14,293 investment. According to Senator Nelson, this was a 6,000 per cent profit. Bug said he didn't know the difference between a stock certificate and a warrant for grand larceny. In this case, claimed Bug, they probably looked about alike. Anyhow, he announced, he had wrote this company to see if he could buy a share of stock.

Josh Clodhopper give out the most important news of the session, Josh reported the Department has announced the Government printing office had a new 154-page book listing the 246 give-away programs being run by the Congress fer \$10 billion a year. The piece said to send 40 cent to Superintendent of Documents. If you're interested, Mister Editor, the Zip is 20402.

Yours truly,  
Uncle Dan

Dear Editor:

Greetings from a fellow slave over hot lead.

This is just a short note to see if I might persuade you to mail me a copy of an editorial which appeared in your paper recently. I am told -- in the form of an open letter to Pres. Johnson.

One of our readers traveling in south Florida read it and urges us to reprint. Perhaps it was original with you or perhaps you reprinted too. Either way, would sure appreciate your taking time to send us a clip -- or a full copy of the paper as I would enjoy seeing yours. I am enclosing a copy of the News just for fun.
